The Armenian Missionary Association of Australia fundraising surpasses \$2,000,000.

The Armenian Missionary Association of Australia, run by all volunteers, has reached an important milestone through its fundraising efforts. Since its inception, the AMA-Australia, have raised over **\$2,000,000**. Securing two Endowment Funds for education, the Anthony Rozanski (\$500,000) and the Barkev Ishkhanian Fund (\$50,000). The income from the funds is used to support students in Lebanon.

With the efforts of the founding board members and consequently with the members who have served over three year terms, with the leadership of its President and CEO, the annual turnover in 2001 financial year of \$12,000, by God's grace surpassed \$2,000,000 in June 2020.

The Armenian Missionary Association of Australia (AMA-Australia) a registered Incorporation in Australia and acting as a charity, pursues the same aims as the Armenian Missionary Association of America (AMA America), which is to extend a helping hand to our Armenian brothers and sisters in Armenia, Artsakh and the Middle East, struggling and facing a hard time to make ends meet.

In 2021 we will celebrate the 20th Anniversary of AMA-Australia.

Since the launch in 2001 the AMA-Australia has embarked on journey of mission and adopted many projects and organised fundraisers to support the needy. The programs have included social and cultural initiatives. The main projects of the Association since its formation are the Child Scholarship Program to needy children in Armenia, Education Sponsorship Program for needy students in Lebanon and Syria, Relief aid to Armenia and in the last few years especially for Syria. We also have a sponsorship program for children in Armenia and students in Lebanon and distribution of Christian literature, such as 400 copies of Our Daily bread and the AMAA Newsletter, in Australia and New Zealand.

AMA-Australia does not have paid staff, buildings, offices or even a business phone. All the work is done via emails and correspondence. The AMA-Australia Website and Facebook are active. You can follow our programs, activities and news by visiting our website and following us on Facebook.

We need your help!

Our aim is to let as many people know the works of this organisation, and help fundraising efforts to fuel projects in 2020 & 2021, *ESPECIALLY* in these tough times for our Armenian brothers and sisters in Armenia, Artsakh and the Middle East.

Without your donations and support we would not have been able to raise the much-needed funds to pursue our goals for the glory of God.

Please continue to support us, if you have already done so, or join your hands and help us to do better in the coming years.
